

TRAINEE/INTERN PROGRAM

Thank you for your interest in the Exchange Visitor Program! Cenet is designated by the U.S. Department of State as an authorized program sponsor. Cenet's mission is to inspire future global leaders, fostering a more prosperous and compassionate world through international education and cultural exploration. As a host organization and representatives of your local community, you and your staff have the opportunity to facilitate a rich exchange experience for Trainee and Intern participants.

Exchange Visitor Program Overview

- + Interns are university students or recent graduates pursuing a program related to their fields of study.
- + Trainees are graduates with a related degree and at least 1 year of relevant experience; in lieu of a related degree, a trainee may have 5 years of relevant experience.
- + Trainees generally have greater knowledge and experience; therefore, their training plans and objectives should have higher standards and more advanced training.
- + Participants may neither displace American workers/interns, nor be used to fill a labor need.

Host Company Obligations

- + Provide a DS-7002 training plan for the intern or trainee that matches the qualification of the participant and also reflects your unique company culture and training opportunities.
 - The training phases should showcase a progressing acquisition of skills and experiences throughout the program.
 - Trainees and interns should be engaged in skilled tasks only.
 - Participants must be provided with a minimum of 32 training hours per week.
 - The intern or trainee must be supervised and evaluated by the host company throughout the course of the program.
 - The host company is responsible for providing opportunities for the participant to experience American culture both in and outside of the training site.
 - The training plans provide transparency for both the host employer and the participant prior to arrival; it is essential these plans are followed during the program. Should a training plan require changes after arrival, please contact Cenet.
- + Include the supervisor's signature on the training plan. The participant will also sign the plan.
- + Make any necessary revisions after Cenet reviews the training plan to ensure it meets program requirements.
